 double the price of the permit.** Contact the code officer
 at 518-835-4211 ext 102 Cell 518-496-6204 or at
codeenforcement@caroga.town

Special Notice for Boaters in the Town of Caroga and Line Within Ten Miles of the Adirondack Park Blue Line

All water craft launched in the Adirondacks are required
 to be free from aquatic invasive species.

New York State DEC Regulation (6 NYCRR Part
 576) states that: No person shall launch, or
 attempt to launch, a watercraft or floating dock into
 a public water body unless the following
 reasonable precautions of cleaning, draining, and
 treating have been taken.

In addition, effective June 8, 2022 the Environmental
 Conservation Law now requires that all boaters
 operating any kind of motorized watercraft in the
Adirondack Park and within ten miles of the Blue Line are
 also possess special certification that, before launching,
 their vessel has undergone measures to prevent the
 spread of aquatic invasive species by following the Clean,
 Drained, and Dry. standards described in NYS Regulation
 (6 NYCRR Part 576).

To obtain a certificate you can go on-line or by visit the
 Caroga Town Clerk's Office on State Highway 10 in Caroga
 Lake, the Town Boat Decontamination Station across the
 street from the Town Hall, the DEC Boat Launch at West
 Lake, and the boat launch at DEC's East Caroga Campsite.
 They are also available at other DEC designated aquatic
 invasive species inspection station where boat stewards
 are present to inspect or decontaminate vessels and to
 provide boaters with a certification card.

Alternately, boaters may perform Clean, Drained, and
 Dry steps themselves and then complete a self-issued
 certificate. A Self-Issued Certificate is available below to
 be printed and carried by boaters.
https://www.dec.ny.gov/docs/lands_forests_pdf/selfissue_certificate1.pdf

Self-Issued Certificate for Watercraft Prior to Launch (PDF)
