Meeting called to order at 7:00 pm

Al proposed waiving reading the minutes and asked board members from this point forward to please read the minutes before the meeting as they will be posted on the website. All in agreement.

Board reviewed the survey submitted by Tim Burton.

There was a discussion regarding the discrepancy between the tax map and the deed measurements. It was noted that there is a disclaimer on the Fulton County website regarding the information that is on the tax map; it is only an approximation and a survey should always supersede what's on the tax map.

Al called for a vote on the motion to accept Mr. Burton's site plan; the motion having been made at the last meeting. Voting called by roll call; all in favor. Motion carried.

Jennifer gave a quick update on the codes office and distributed the new fee schedule. She indicated that there will be applications for the board in May.

Al gave an update on the configuration of the new website. It should be operational within the next few weeks.

Matt made a motion to adjourn the meeting, Lynne seconded.

Meeting adjourned at 7:20
