 **2026 Free Fishing Days**

February 14 & 15 (Presidents Day Weekend) • June 27 & 28
September 26 (National Hunting & Fishing Day)
November 11 (Veterans Day)

Free fishing days offer residents and non-residents who are 16 and older* to fish
without a freshwater fishing license or recreational marine fishing registration.
(*Kids under 16 can always fish for free!).

*These days offer the perfect opportunity to try out fishing for the first time, to get
back into the sport, or to take a friend or the whole family along to fish! Even
though a license is not needed, all other regulations apply <https://dec.ny.gov>*

TREE & VEGETATION CUTTING

Except to allow for the removal of diseased vegetation and rotten
or damaged trees, ALL vegetative cutting on a parcel with shoreline
on a lake, pond, or navigable river or stream must comply with the
following Adirondack Park restrictions:

(a) Within 35 feet of the mean high-water mark, no more than 30
percent of the trees in excess of six inches diameter at breast height
(4-1/2 feet above ground) may be cut over any 10-year period.

(b) Within 6 feet of the mean high-water mark, no more than 30 per-
cent of any vegetation may be removed.

NOTICE

There is an **Emergency Call Box** located on the **outside the Caroga Fire Station** 3262 State Highway 29A. If you don't have power or cell service or need help for any reason, Go to the Fire House, open the white box, to the right of the front door, and lift the handset. You will immediately be connected to a 911 operator.

CAROGA PROPERTY RENTERS

Local Law #1 of 2024 was adopted on March 13,2024. All Caroga property owners **MUST** have a valid permit to rent any dwelling unit in whole or part to any person, persons, or entity for a period of less than 30 consecutive nights. Applications are on the town website Caroga.town or available from the Code Enforcement Officer. Garbage will not be picked up curbside by the Town. Trash disposal is the responsibility of the property owner.

**TOWN OF CAROGA
CODE ENFORCEMENT OFFICE**

Building Permits are Required for All Projects except Painting.
When we inspect your project, it protects you and your contractor by ensuring that your project is completed properly and safely. Any Building or renovations being done without a permit shall pay double the price of the permit. Contact the code officer at 518-835-4211 ext 102 Cell 518-496-6204 or at codeenforcement@caroga.town.

ATTENTION BOATERS

Eurasian Milfoil is Harvested on East & West Caroga Lakes
Safety Is Everyone's Responsibility

Look for the 'diver down' flag, red with a white diagonal stripe, as shown here when on the water.

Boaters and Personal Watercraft operators should keep at least 100 feet away. Outside of 100 feet, approach with caution and decrease speed. Pass these flags as wide as possible, and be on the lookout for air bubbles indicating the diver's position.

JUNK AND INOPERABLE VEHICLES:

No individual junk inoperable or unlicensed motorized vehicles may be located on any parcel that is visible from public roads, trails, boat or canoe water ways.

Junk & Debris. Local Law #2-2009 & The NYS Fire Prevention & Building Codes Section 302.8.

New York State Law prohibits plow operators from depositing snow on or across any State, County, or Local Highway.

Local Law1-2014 Prohibits parking from October 1st through April 1st on ALL Town and County streets and Highways in order to facilitate snow removal.

**CAROGA
SNOWMOBILERS**

Snowmobile Legislation Effective 2/27/2006: No person under the age of 14 shall operate a snowmobile except upon land owned or leased by his or her parent or guardian. Leased lands shall not include lands leased by an organization of which said owner or parent is a member.

A person 10 or older but less than 14 who holds a valid snowmobile safety certificate may operate on any lands snowmobiling is allowed if accompanied by a person over 18. A person 14 or older but less than 18 who either holds a safety certificate or is accompanied by a person over 18 may operate a snowmobile in the same manner as a person over eighteen years of age. **Contact the Fulton Co. Sheriff's Dept. for classes (518) 736-2100.**

Snowmobiles shall travel on Town Roads at forward momentum.

Amanda's Law

"A Law Regulating Ice Shanties in the Town of Caroga."

The Purpose of this Local Law is to contribute to the safety of all who recreate or traverse the frozen lake waters within the Town of Caroga during Ice Fishing Season. Ice Shanties placed upon any waters located in the Town of Caroga must display a minimum of 48 running inches of 3-inch-wide reflective tape or 1 Square foot of reflective surface on each side of the shanty. The reflective surface shall not block the required New York State identification requirements. Owners of shanties found without reflective material shall be subject to a fine of up to \$50.00.

All Shanties must be off ALL waters in New York by March 15

DRIVING IN CAROGA

According to NYS Dept of Motor Vehicles - mini bikes, off road motorcycle, side by sides, go carts and **GOLF CARTS** can't be driven on state or local highways. Some types of low speed vehicles that look similar to a golf cart can be registered for the road but must meet federal motor vehicles safety standards. They must have upgraded brakes, head and tail lights, turn signals, brake lights, reflectors, mirrors, horn, a windshield and seatbelts. Currently ATV's are not allowed on any roads throughout the Town.

**Special Notice for Boaters
in the Town of Caroga
and Live within Ten Miles of
the Adirondack Park Blue Line**

All water craft launched in the Adirondacks are required to be free from aquatic invasive species. New York State DEC Regulation (6 NYCRR Part 576) states that:

No person shall launch, or attempt to launch, a watercraft or floating dock into a public water body unless the following reasonable precautions of cleaning, draining, and treating have been taken.

In addition, effective June 8, 2022 the Environmental Conservation Law now requires that all boaters operating any kind of motorized watercraft in the Adirondack Park and within ten miles of the Blue Line also possess special certification that, before launching, their vessel has undergone measures to prevent the spread of aquatic invasive species by following the Clean, Drained, and Dry standards described in NYS Regulation (6 NYCRR Part 576).

To obtain a certificate you can go on-line or visit the Caroga Town Clerk's Office on State Highway 10 in Caroga Lake, the Town Boat Decontamination Station across the street from the Town Hall, the DEC Boat Launch at West Lake, and the boat launch at DEC's East Caroga Campsite. They are also available at other DEC designated aquatic invasive species inspection stations where boat stewards are present to inspect or decontaminate vessels and to provide boaters with a certification card.

Alternately, boaters may perform Clean, Drained, and Dry steps themselves and then complete a self-issued certificate. A Self-Issued Certificate is available below to be printed and carried by boaters.

https://www.dec.ny.gov/docs/lands_forests_pdf/selfissuedcertificate1.pdf

Self-Issued Certificate for Watercraft Prior to Launch (PDF)

https://www.dec.ny.gov/docs/lands_forests_pdf/designatedinspectionstations2022.pdf

NYSDEC Designated Inspection Stations 2021 (PDF)

We need you to do your part in keeping our lakes free from aquatic invasive species. Get your boat inspected and utilize the Town's free boat decontamination station conveniently located across the street from the Town Hall at 1840 State Highway 10.

ALL Operators of motorized vessels, regardless of age, Must Have a Boating Safety Certificate by January 1, 2025
Online courses available from New York State Parks, Recreation and Historic Preservation go to parks.ny.gov

Examples of AIS in NY

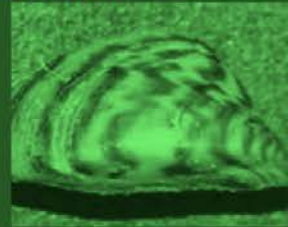

Water chestnut

H. Smith, AP/IPP

- Fan-shaped leaves with toothed edges
- Sharp-edged seeds can cut feet
- Dense floating mats impede boating, fishing, and swimming

Zebra mussel

A. Benson, USGS, Bugwood.org

- Tiny striped oval- or D-shaped shells
- Can cover hard surfaces like docks and mooring lines
- Shells can cut feet

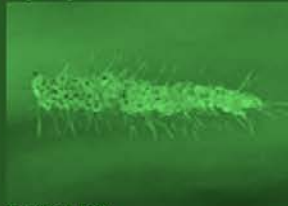

Eurasian watermilfoil

Graves Lovell, ADCNR, Bugwood.org

- 4-6 feathery leaves around stem, blunt-tipped, as if snipped off
- New plants sprout from fragments
- Dense plant growth impedes boating, fishing, and swimming

Spiny waterflea

E. DeBolt, LGA

- Tiny crustacean with long, barbed tail
- Competes with small fish for food
- Can clog guides of fishing rods

Hydrilla

Tim Krynak, Cleveland Metroparks, Bugwood.org

- 4-8 blade-like leaves with slightly toothed edges around stem
- Dense plant growth impedes boating, fishing, and swimming
- Tolerates both fresh and brackish water

More information about AIS: www.dec.ny.gov/animals/50121.html

**BEFORE AND AFTER BOATING
INSPECT EVERYTHING**
